## ACSI Event Calendar

Student artwork from each ACSI region is showcased each year in the ACSI Event Calendar. Pieces selected to represent each region are selected by each regional office, and usually are chosen from among ACSI Art Festival winners.

**Each entry must be submitted electronically in a print-ready format— .pdf .jpg or .tif file.** The calendar is offset printed and requires images to be **300 pixels per inch at 100%**. The calendar is a horizontal format, but vertical images can also be used. **Horizontal images should be 11.25" (3375 pixels at 300 ppi) wide X 8.75" (2625 pixels at 300 ppi) high. Vertical images should be at least 8.75" (2625 pixels at 300 ppi) high.**

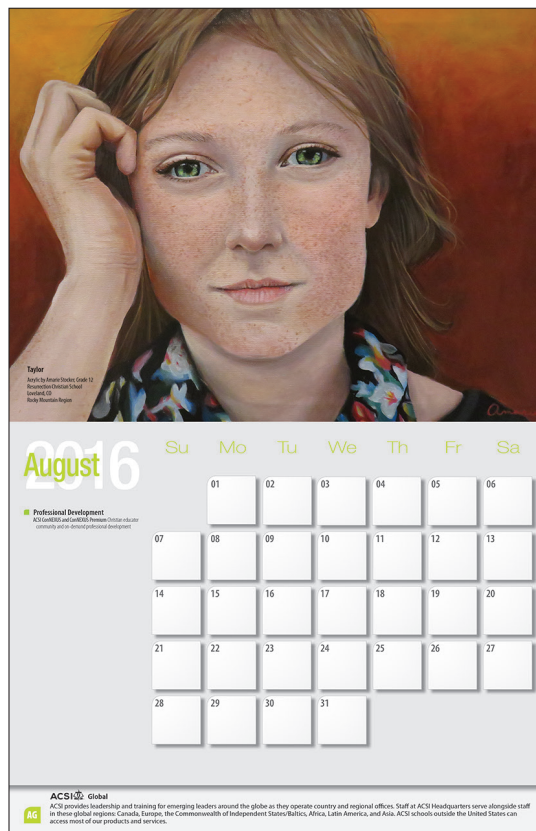

**Entries must include a signed parent/student release form; the title of the piece; the medium used to create the piece; the student's name and grade level of the student at the time the piece was created; school name, city, and state/province, and country.**

All entries must be submitted through your regional office to the attention of the student activities coordinator. Regional offices will make the selections as to which artwork(s) will represent their region in the annual calendar.

Technical issues should be addressed to the ACSI design department (719) 528-6906.
